Friday 12th January 2018

Dear Parents,

We have had a busy full week at school. As well as the children being really focused on their learning, the teachers have been too! Yesterday, we had a staff meeting from the Speech and Language team giving advice and strategies about how to support children with speech and language difficulties in school. We always have a busy schedule of professional development to ensure that we keep up to date with our training and latest developments.

Well done to the football team, who played against St Saviour's School on Saturday morning. They played with good team spirit and worked to support each other, even though it was a cold morning!

Online Safety

Please accept our apologies, however we have had to change the date of the online safety parents workshop. It will now be on Tuesday 23rd January at 3pm. We are delighted to welcome PC Jo Carter into school for a very important and informative parents meeting about keeping your children safe online. I would urge as many parents as possible to attend. If you wish to attend and need child care (as the content of the session is not appropriate for children), please let Mrs Hidrio know, and we will be able to organise a member of staff to supervise them.

Menu of Parent Events

Our menu of parent events for the Spring term (first half) is attached to the Parentmail we sent with this newsletter on and can also be found on the school website

Message from Mrs Mollet

Mrs Mollet has asked if anyone has any colouring books or plain/coloured paper which they can donate to school. The children really enjoy colouring and drawing at lunchtimes, but unfortunately we are running out of paper. If you can help us, please drop it off to the front office.

Little Giants – after school and holiday club.

Little Giants provide an after school club at St Martin's and also a holiday club at Grouville School. More information can be found in the Parents section of our website (including a booking form and contact details).

Term Dates

Our term dates can be found by following the link below:
