HELLO PARENTS AND CARERS

The after-school club is going from strength to strength in the short time we have been open. I would like to thank all the parents who have supported us.

I have had very positive feedback on the service we are providing, so it's great to hear that the after-school club is benefiting the families in St Martins School. If you would like to leave a review on our Facebook page please do!

For those of you who have not used our service we offer a flexible service operating in the school Monday to Friday from 3-6pm term time. Regular or ad hoc bookings are offered, and from the feedback I have received is that the ad hoc sessions are proving invaluable! If you require any information please email, or just pop in. The team will be happy to assist with any questions you may have.

Holiday Club-Coming Soon to Grouville School

I have had quite a bit of interest in a holiday club. If you think this is a service you would use please do contact me as soon as possible. I am informing the families of all the after-school clubs operated by Little Giants as they will be given priority before I advertise externally. If there is enough interest we could be open in the May half term, thereafter the summer holidays.

A few reminders

Please ensure that your child is signed out on collection.

Late Collection-It has been brought to my attention that some parents have been collecting their children after their allocated session time. We understand that with the busy lives we lead that on occasion you may be late, and we can allow for 5 minutes here or there. The after-school club mobile number is on this newsletter, and a courtesy call would be appreciated if in the event you find yourself running late. Your session can also be extended if required by informing the team and giving us a call. However, if this continues to happen the late collection charge will be applied. The late collection charge is £25, and this is in our terms and conditions. I have had to apply this charge more frequently recently and this has caused some unease. Please understand that if you are continually late this affects our adult to staff ratio which we must adhere to as a requirement to be registered. This also in turn makes us over our numbers putting the safety of all the children at risk. Please bear this in mind as it affects everybody. I thank you for your cooperation with this matter.
